

Summer Special:

Free BWT F1 R Robotic Pool Cleaner with all new builds.

Offer ends 31st December, 2024.

RRP: \$2,099

*Terms and conditions apply.

The Special Includes:

BWT Pool Robot F1R Pool Cleaner

For pools up to 12 metres (any shape or surface finish). Floor, walls and waterline.

Optimal Pool Cleaning

Thanks to their intelligent navigation system combined with their gyroscope, the F1 robots are designed to clean your entire pool.

2 Drive Brushes + Ultrafine Filtration

The brushes and filters of the F1 robots will leave your pool **perfectly clean**.

Elegant Design

Despite the compact size, the F1 R & RX's ultramodern design allows them to clean faster and more efficiently while consuming less energy.
